**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**CAUSE**

On December 27, 2005, Ms. Estrada submitted a urine sample which tested presumptive positive for methamphetamine. The defendant admitted to using methamphetamine, and acknowledged having a substance abuse problem. As a corrective measure, the defendant entered a 30 day inpatient treatment program at American Behavioral Health Systems in Spokane, Washington. She successfully completed the treatment program on February 21, 2006, and is currently following through with aftercare treatment. In addition, recent 9<sup>th</sup> Circuit case law requires the Court to specify a specific number of urine tests to be set. Enclosed is a waiver signed by the defendant agreeing to the above modification of his conditions of supervised release.

Respectfully submitted,
